RE Postmaster General's Proposals  
Before You

Dear Commissioners:

I am a 75-yr-old US citizen + Voter. I have depended on the US Postal Service all of my life. I grew up in a rural California town with one post office that served us well.

I am very concerned that our current Postmaster General is trying to destroy this method of mail delivery by removing all the tools that make it effective + reliable (e.g.; air plane mail carriers, sorters, mail boxes + many rural post offices).  
PLEASE reject Louis DeJoy's proposals before you + save this very important government facility.

Thank you.
